# Should ChatGPT be your next co-author?

## Considerations for GenAI and academic authorship

### with Dr. Ella August

## Navigating ethical, professional, and privacy considerations for using ChatGPT in writing academic papers

In this workshop, Dr. August will cover key considerations for using generative AI in academic authorship, including:

- How and why researchers have been using ChatGPT in academic writing
- Writing papers pre-ChatGPT
- Writing papers post-ChatGPT
- Professional and ethical standards
- Privacy considerations

Participants will be invited to consider various scenarios in small groups.

**The workshop will be held in a hybrid format on Thursday, January 25th, 2024 from 1:30 - 3:00pm ET; to participate, please register here by Thursday, January 18th.**

*This workshop is open to all CAsToR-affiliated individuals.*
