

# **How to Conduct a High-Quality Journal Peer Review**

## **with Dr. Ella August**

*Peer review is a key skill for academic professionals. In this webinar, you will:*

- Increase your skills and confidence in writing a high-quality journal peer review report.*
- Understand how to apply a three-step process to conduct a thorough and respectful journal peer review.*

*Participants will be invited to consider various examples in small groups.*

**The workshop will be held on Zoom on Friday, November 15<sup>th</sup>, 2024 from 2:30 - 4:00pm ET; to participate, please [register here](#) by Friday, November 8<sup>th</sup>.**

***This workshop is open to all CAsToR trainees & junior investigators.***
