

Responding to Journal Peer Reviewers ***with Dr. Ella August***

In this webinar, Dr. August will focus on basic principles and strategies for responding to journal peer reviewers, including how to:

- Format responses to reviewers for easy comprehension*
- Craft responses and associated manuscript changes to maximize your chances for final acceptance*
- Address suggestions with which you do not agree*
- Address conflicting advice from different reviewers*

Participants will gain hands-on practice using examples from BMJ Open.

The event will be held on Zoom on Friday, January 17, 2025 from 1:00 - 2:30pm ET. To participate, please email Molly Coeling (mcoeling@umich.edu) for the registration link.

This webinar is open to all CAStoR trainees & junior investigators.
