

CAsToR Workshop: Copyediting with ChatGPT

Presented by Dr. Ella August

This workshop will orient participants to when and how to best use AI tools in copyediting. The workshop will include:

- *A protocol for privacy protection*
- *Suggested prompts to improve your experience using AI in copyediting*

We will use ChatGPT in the workshop, but the principles & skills can be adapted for use with proprietary AI tools at your institution.

There will also be some hands-on exploration!

**The workshop will be held on Friday, October 24th from 12:00 – 1:30pm ET.
To participate, please contact Molly Coeling (mcoeling@umich.edu).**

This workshop is open to all CAsToR-affiliated individuals.
