CAsToR Workshop: Collaborating with AI

Presented by Dr. Ella August

This workshop will focus on how to work with AI tools with a collaborative approach.

Topics will include:

- How to preserve your critical thinking while getting the most out of AI
- Ethical considerations
- Accepted professional norms & guidelines for different types of writing products

We will use Claude in the workshop, but the principles & skills can be adapted for use with other GenAI tools.

The workshop will be held on Thursday, May 21st from 4:00 – 5:00pm ET. To participate, please contact Molly Coeling (mcoeling@umich.edu).

This workshop is open to all CAsToR-affiliated individuals.
