

Crafting Public Comments for Proposed Tobacco & Nicotine Rules

Presented by Dr. Holly Jarman

This workshop will cover the basics of submitting public comments with a focus on how to craft effective comments, including the use of examples of what to do and what not to do.

For additional background info, please note that a webinar, "FDA Rulemaking Process and Submitting Public Comments," was hosted in August 2025 by the AppalTRUST TCORS and will soon be available on the TRS Knowledge Center.

The workshop will be held on Tuesday, April 21st from 3-4pm ET.
To participate, [please register here](#) by Friday, April 17th.

This workshop is open to all CTP-funded individuals and team members.
