

CAsToR Workshop: Get Your Paper Back on Track

Presented by Dr. Ella August

Is one of your manuscripts “stuck” in the writing, submission, or revision process?

You’re not alone! Join us for a collaborative planning session where we’ll help you identify what’s holding your paper back and make a plan for moving your paper forward.

This workshop is for you if you are...

- Stuck in the **writing phase** and not sure how to move forward.
- Dealing with a **journal rejection** and unsure where to submit next.
- **Waiting on a submission** under review for months without movement.
- Considering a **rebuttal** and need guidance on how to respond strategically.

What to expect:

- Share where you are stuck in a supportive, collaborative environment
- Receive constructive feedback from peers and experienced researchers
- Leave with a concrete action plan and timeline to move your paper forward
- Benefit from the collective expertise of your CAsToR colleagues

Monday, October 5th from 12:00 – 1:30pm ET. To participate, [register here](#).

This workshop is open to all CAsToR-affiliated individuals.
